Table of Contents

Part A

Chapter A1: Introduction	A1. 1
Guide Development and Acknowledgments	A1. 2
Purpose of the BPF Guide	A1. 4
Application of the BPF Guide	A1. 5
Revisions to the Guide	A1. 6
Organization of the BPF Guide	A1. 7
Codes and Standards	A1. 8
INS Policy	A1. 9
Adopted Codes	A1.10
Space Projection Methodology and Factors	A1.13
Glossary of Terms	A1.16
Chapter A2: US Border Patrol	A2. 1
Mission and Authority of the Border Patrol	A2. 1
Organization of the Border Patrol	A2. 2
Border Patrol Activities	A2. 4
Enforcement Strategies and Trends	A2. 8
Chapter A3: Border Patrol Facilities	A3. 1
Facility Types	A3. 1
Facility Ownership	A3. 3
Facility Goals	A3. 3
Functions at Facilities	A3. 6

Part B

Chapter B1: Sector Headquarters *	B1. 1
-----------------------------------	-------

Chapter B2: Border Patrol Stations	B2. 1
Definition and Management Organization	B2. 1
The BPS Facility	B2. 4
BPS Site Plan Concepts	B2. 5
General Station Building Design Concepts	B2.12
Design Considerations	B2.13
Border Patrol Station Administration	B2.21
Special Operations	B2.26
Patrol Command	B2.29
Squad Room	B2.32
Field Support	B2.34
Field Support Dispatch and Communications	B2.36
Training	B2.39
Exercise and Lockers	B2.42
Detainee Processing and Holding	B2.44
Facility Support	B2.49
Vehicle Maintenance	B2.50
Electronics	B2.53
Parking	B2.55
Site Elements	B2.58

Chapter B3: Checkpoints *

Chapter B4: Other Facilities *

Part C

Chapter C1 Code Application	C1. 1
Application Codes	C1. 2
Construction Type	C1. 3
Fire Separation	C1. 5
Access for the Disabled	C1. 6
 Chapter C2: Site Design Criteria	 C2. 1
Landscaping	C2. 1
Site Security	C2. 2
Site Development	C2. 7
Utilities	C2. 7

Parking, Paving and Roadways	C2. 8
Site Lighting	C2.11
Chapter C3: Architectural Design Criteria	C3. 1
General	C3. 1
Exterior Construction	C3. 2
Interior Finishes and Construction	C3. 3
Schedule of Benchmark Finishes for Border Patrol Stations	C3. 6
Secure Construction	C3.11
Special Requirements	C3.14
Chapter C4: Engineering Systems Design Criteria	C4. 1
Heating, Ventilation and Air Conditioning	C4. 1
Plumbing Systems	C4. 3
Electronic Security and Communication Systems	C4. 6
Lighting	C4.13
Power	C4.14

Appendix

App.1: Baseline Security Standards

Draft Baseline Security Standards	App. 1. ii
Example 450 Agent Space Program	

App. 2: Hold Room Design Standards

	App. 2. i
--	-----------

App. 3: Construction Requirements for Armories

	App. 3. i
--	-----------

App. 4: Local Area Cabling Standard

	App. 4. i
--	-----------

App. 5: Projection of Space NeedsApp. 5.	i
ProtoBPS SpreadsheetApp. 5.	i
Individual Space AllocationsApp. 5.	v
Comparison of Space Requirements for Different Size StationsApp. 5.	xvi
Example Program: 30 Agent Station		
Example Program: 120 Agent Station		
Example Program: 240 Agent Station		

* - Not included, to be added later
